

## Lone Star: traditional, handmade artisan goat cheeses

Our Lone Star™ brand handmade goat cheeses are made using 100% fresh goat's milk and are faithful to the traditional methods of the farmstead cheesemakers of old. Hand-ladled in small batches, we use no preservatives, stabilizers or artificial ingredients, resulting in the fresh, creamy old-world flavor that's perfect for recipes or with crackers or a great, artisan bread.

When you put Lone Star brand handmade goat cheeses from Cheesemakers on your shelves, the same cheeses preferred by many chefs, you can be assured that your customers will be getting the freshest, most authentic artisan quality and flavor there is. Contact your Lone Star representative for more information.

Handmade. Fresh, quality ingredients. Genuine, time-tested recipes.

- **CHEVRE** (*Shev-reh*)”*Fresh Artisan Goat Cheese* “ - Made with 100% fresh goat’s milk. A true Texas Farmstead Goat Cheese made faithful to the traditional methods of the farmstead cheesemakers of old. HAND LADLED, small batches, made with no preservatives, stabilizers or artificial ingredients. This method results in a fresh, mild ,creamy Texas fresh cheese. Lone Star Chevre can be substituted for cream cheese and contains half the fat and calories of cream cheese. Use for your favorite dips, hors d'oeuvres, and sauces. Crumble on salads or serve alone with crackers. Spread the Lone Star chevre/pesto on a loaf of crusty bread and bake in the oven to release the olive oil in the pesto. A tasty treat to mix with pasta to create an authentic Italian style dish.
